*A Therapist for the body. A Teacher for the Mind.*

Greetings!

I would like to take this opportunity to welcome you to my Physical Therapy office. My team and I look forward to meeting your Physical Therapy needs.

Our philosophy is to provide you with optimal care in a relaxed, quiet and comfortable atmosphere. The initial appointment will be spent assessing your Physical Therapy needs, plus the beginning of treatment.

**To devote the majority of your first appointment to hands-on care, please print, complete and then bring the attached forms to your appointment. In addition, we will need you to bring your insurance card(s) and photo identification.**

**Please wear comfortable, loose fitting clothes (no jeans or heavy fabrics; sweats or shorts are preferable).** Because I have many aroma sensitive clients, I must ask you to please **not** wear perfume or after shave when you come for your appointments.

**Our policy for appointment cancellation is a twenty-four hour notice by you to us. Without proper notification, we are unable to fill your reserved time. Therefore, our policy is to charge you \$105.00 for appointments cancelled without proper notification.**

It's important that you be informed of your health care coverage for outpatient Physical Therapy. If you have a co-pay and/or co-insurance, it is due at the time of your visit..

We are looking forward to becoming a valuable member of your healthcare team!

Linda Craig, P.T., G.C.F.P.

**IMPORTANT NOTE:** When you come for your appointment, be certain to bring your photo identification (driver's license), health insurance card(s), physical therapy prescription and/or referral.
